16	Speed loading devices	YES	YES	NO	YES

Special Conditions:

1. For all firearms (as applicable), full auto/burst fire triggers, and bump stocks are allowed but may only be used in semi-auto mode. Bump stocks must be fixed to preclude bump stock type function. See [10.5.18](#) for penalties. Use of binary triggers (firing once on trigger pull and once on release) is prohibited.
4. For all long guns (R, SG, and PCC), Short Barreled Rifles (SBR's) are permitted provided the competitor is in full compliance with all state and federal laws and regulations concerning ownership and transport of the SBR and the PCC otherwise complies with Divisional requirements.
5. A PCC must have a stock attached and be capable of being fired from the shoulder position. Sig Brace or any variant thereof is not allowed. Handgun conversions are allowed as long as the conversion is shot as a PCC. Flash hidere and slings on a PCC are permitted in all divisions. For PCC, no magazine couplers are allowed. End-to-end coupling is allowed. Magazines must be carried on the belt or in apparel pockets. A PCC may be included as a separate firearm type in a match. It will not be allowed as a substitute for another firearm required in a match such as a rifle or handgun.
